INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

Pursuant to the duty of disclosure under 37 CFR §§ 1.56 and 1.97-1.99, the documents listed on the attached Form(s) PTO-1449 are being brought to the attention of the Examiner in charge of the above-identified application. Copies of all documents are submitted herewith. A complete translation is provided of document AM; a translation is provided of sections 2.2.3 and 2.2.4 of document AS; a translation is provided of the relevant portions of document AN; and a complete translation is provided of document BR.

Since the Information Disclosure Statement is filed before the issuance of the first Office Action on the merits or within three months of filing, no fee is required. The Commissioner is hereby authorized to charge fees under 37 CFR § 1.17 which may be required for consideration of this paper;

or credit and overpayment to Deposit Account No. 18-0180. A duplicate copy is attached for this purpose.

In accordance with 37 CFR § 1.97(g) and (h), the filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made, or as an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 CFR § 1.56(b).

Applicants do not waive any rights to appropriate action to establish patentability over the listed documents should they be applied as references against the claims of the present application.

RELEVANCE OF THE DOCUMENTS

Documents AA-AG were made of record during the prosecution of patent No. 5,422,524.

Documents AH, AL, and AR were cited in the European Search Report issued in connection with a European patent application corresponding to the present application. A copy of the European Search Report is submitted herewith.

Documents AM, AN, and AS were cited in an Opposition in the European patent application corresponding to the present application.

Documents AN and BR were cited in the Japanese patent application from which priority is claimed for the present application.

Documents AI, BS, and BT were cited by the Examiner during prosecution of the parent of the present application.

CONCLUSION

The Examiner is respectfully requested to initial the space adjacent each document entry on the Form(s) PTO-1449, and to return a copy of the initialed Form(s) PTO-1449 to confirm that the documents have been considered and have been officially made of record in this application.

If the Examiner has any questions or wishes to discuss this application, the Examiner is invited to telephone the undersigned representative at the number set forth below.

Respectfully submitted,

JACOBSON HOLMAN, PLLC
